Our Services

G-Laabh : Our G-Laabh division will be concerned with marketing and onboarding sellers registered on Gem. Its primary focus will be marketing and coordination with an aim to enhance effective delivery while reducing the business-cycle for sellers. The marketing will also be extended to those sellers who are interested in selling outside Gem.

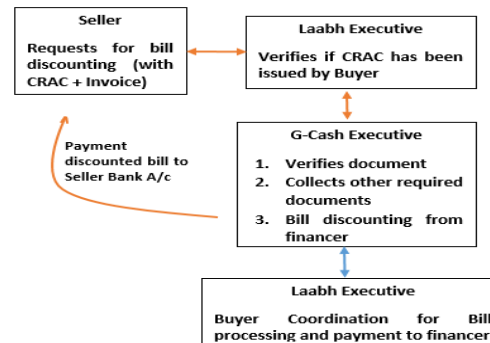

G-Laabh – Marketing & Coordination

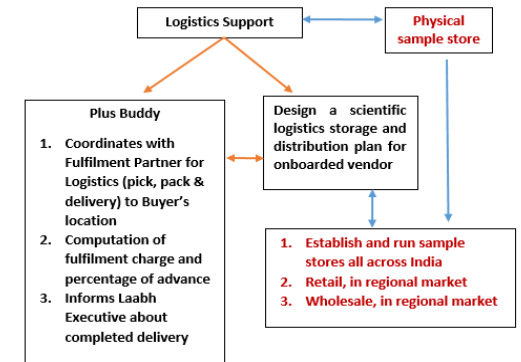

G-Cash : IGCPL also proposes to take care of cash-flow management of the interested Sellers by providing Bill-discounting/factoring/fintech services to Sellers on competitive rates. IGCPL aims to become a factoring service aggregator in India and aims to provide most feasible discounting options to sellers across India.

G-Cash - Cash Flow Management

G-Plus – Logistics & Sample Store

G-Plus : Our G-Plus division shall ensure company logistical support to the buyer and the seller. In addition, the Plus division shall operate and maintain a G-Plus-Store from which it shall carry out the activities of retail and wholesale.

Local to Global – Grow Your Business with Us!

G-Café : The main job of this division shall be to obtain piecemeal or periodic contracts from sellers and buyers to carry on gem hosting/sales for the sellers and gem procurement for the buyers. In addition, they shall assist new buyers/sellers in gem registration and sample displays on gem platform.
